Pride of VIDYA Udyog Kendra
Gutsy Geetanjali... Leads the Way

Meet Geetanjali, the committed and confident member of Udyog Kendra. She joined the Kendra at Garhi Farm in 1998 as a couter because she was proficient in cutting and stitching. She soon proved to be a steady and sincere worker and moved on to become the leading light of the programme. She has excellent communication skills and establishes instant rapport with the women. Today she has risen to a Production Supervisor, Sanprav Mallik and an impressive Social Worker who is extending the programme in the nearby areas. She is managing the programme with dedication and also runs a stitching centre at home.

Geetanjali was appreciated for her meritorious services on the Founders’ Day and was awarded by the Chief Guest. This is the first time that an Udyog Kendra woman has been awarded. She truly has set the way...
