**New Section**

The April Newsletter is here! This month, we delve into the world of education, featuring insightful articles on teaching strategies and innovative approaches to learning. Plus, don't miss our section on extracurricular activities, highlighting the vibrant cultural and sports life at VIDYA.

**The English Review, Celebrate with Masons and Raj Bhavan**

On April 22nd, Masons and Raj Bhavan hosted an elegant evening to celebrate Earth Day, marking the importance of environmental conservation. The event was a beacon of sustainability, with guests invited to partake in thought-provoking discussions on green living and eco-friendly practices.

**Be Free, But...**

In a world where digital communication has become the norm, maintaining a sense of personal space is crucial. This April, VIDYA took steps to ensure that our students and staff are protected from online threats, promoting a culture of digital literacy and emphasizing the importance of safe online practices.

**The Golden Ratio: Embracing the Philosophy of Learning**

Leveraging the golden ratio, a principle found in nature, architecture, and art, VIDYA has cultivated a learning environment that fosters intellectual growth and creativity. By integrating these principles into our curriculum, we aim to instill in our students a lifelong love for learning and a profound understanding of the world around them.

**Learning to Live Outside**

With the changing season, VIDYA has embarked on a journey of outdoor learning. Through hiking expeditions, nature walks, and hands-on activities, our students are encouraged to explore the beauty of nature, fostering a deeper appreciation for the environment and promoting well-being.

**L fasta!**

A tradition steeped in tradition, Fasta! is an annual event that celebrates the joy of food and community. This year, we've brought together a diverse array of flavors and cultures, offering guests a culinary tour that transcends borders. It's not just about the food; it's about coming together to create memories that last a lifetime.

**Exciting Exchange**

An exchange program with schools in France has opened new doors for our students, offering them a chance to visit French schools and learn about their educational systems. This exchange not only enriches their academic experience but also fosters global understanding and cultural appreciation.
