Visitors

Step ahead! Behold horizons getting unfurled into a larger expanse.

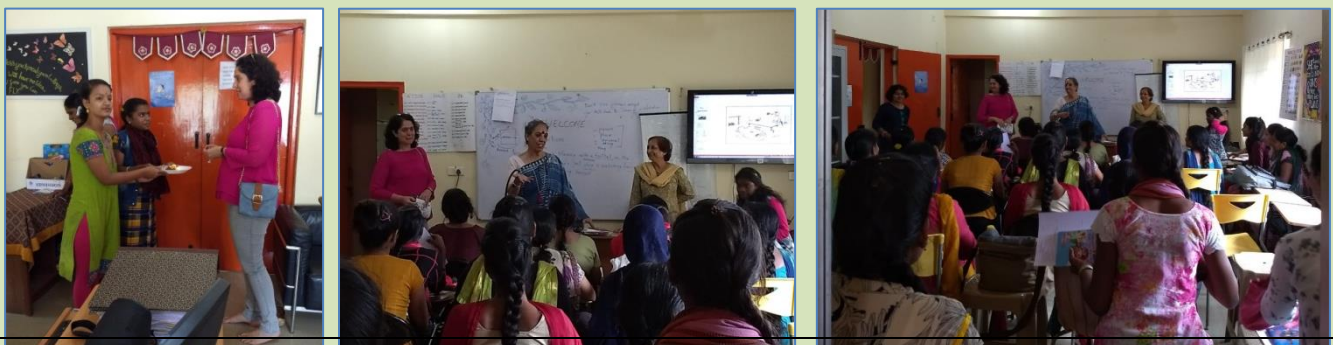

Ms. Uma Ramachandran, our Executive Board member's rendezvous with the students of VIDYA, instilled the need to extend one's horizons. It provided an opportunity to the participants to share their dreams 'aloud' in addition to a better understanding of how each individual works towards taking their dream off in the desired, stipulated time frame. A positive outlook with an enhanced creative quality of personal unique traits of the creator together with right hues and shades is sure to attract the retail markets, opined Mrs. Rekha Rao, Mali Foundation, who was also present.

Ms. Shashi motivated the students, by both her presence and her words.

Looking forward to a new look. VIDYA Mali Foundation is gearing up for a revamp! Architect Devaki is going to do all the magic.
